Explore the Quaker Quest

Are you looking for a spiritual path that is simple, radical and contemporary?
The Quaker experience could speak to you.

We offer a series of four informal open evenings, exploring such issues as equality, peace, God, spiritual practice and faith in action.

We will share our individual and common insights through presentations, discussions, questions and an experience of Quaker worship.

Sessions are on Thursdays from 27 September to 18 October, and the cycle is repeated on Thursdays from 25 October to 15 November.

You can join the series at any point.
Light refreshments from 7.00 pm for a 7.30 pm start, 9.30 pm finish.

Everyone is welcome. It is free. All you need is to be open-minded and interested. Do come along. Make new discoveries, have your questions answered and see if there's something for you.
